

PRO-AM SWISS PGA

FANCOURT
SOUTH AFRICA

22nd February - 3rd March 2025

The Swiss PGA is pleased to welcome you for the 3rd edition of its Pro-Am in the heart of the Garden Route in South Africa.

Fancourt and its three renowned courses offers an amazing setup for exquisite golfing, fine dining and relaxation.

The optional play on the Links Course and the extension at Arabella Resort near Cape Town will please any passionate golfer.

FANCOURT*****

Fancourt, South Africa's award-winning golf resort, is situated in the heart of the spectacular Garden Route, 7km from George Airport. Spanning across 613 hectares of countryside at the foot of the Outeniqua Mountains. The resort boasts two hotels, the Fancourt Hotel and The Manor House Boutique Hotel.

The Fancourt hotel offers 115 rooms and suites: Classic (32 m², only on 1st floor), Luxury (40m²), One-Bedroom Suite (65m² with separate lounge area), Two-Bedroom Suite (80m² with separate lounge area, only on groundfloor).

Many other activities than golf are available to the residents: 4 restaurants, a swimming pool, a large spa with indoor pool, a fitness area, 4 tennis and squash courts, mountain biking and horse riding. Guests can also book excursions to the nearby coastal towns of Knysna, Plettenberg Bay and Mossel Bay as well as historic Oudtshoorn.

THE COURSES

FANCOURT - MONTAGU

Originally designed by Gary Player, Fancourt's Montagu course has developed into one of the finest 18-hole parkland layouts, earning it the number 8 position in the country. Exquisitely conditioned to provide a riveting golfing experience, this tree-lined course covers large tracts of varying terrain on rolling land. A little harder than the Outeniqua golf course, but easier than The Links, the course is an exhilarating challenge with unforgettable scenery.

FANCOURT - OUTENIQUA

Ranked number 14 in South Africa by Golf Digest, Outeniqua course presents an 18-hole parkland layout that is tailored to provide a laid-back golfing experience. The golf course offers a more relenting layout than the Montagu, but it presents a

fair share of challenges and water hazards on as many as 11 of its holes. Designed by Gary Player, it is named after the mountain range that forms its breath-taking backdrop.

FANCOURT - LINKS

Inspired by the famous links courses of the British Isles, The Links is considered a masterpiece. It contrasts starkly with its parkland siblings The Montagu and Outeniqua courses with its wildly undulating terrain and open fairways.

It is currently ranked as the N^o1 golf course in the country, and 38th in Golf Digest US edition's list of the Worlds' 100 greatest golf courses.

The Links has hosted some of the most prestigious tournaments, including the Presidents Cup, the SA Open and the Volvo Golf Champions European Tour. The Links is a Private Club, with limited tee times being made available to Fancourt Guests.

PINNACLE POINT

Overlooking the enormous Indian Ocean, the Pinnacle Point golf course was designed by Peter Matkovich and Darren Clarke.

The course's special design amongst wild dunes and natural vegetation makes the course one of the most unique settings in the world.

The approach shots from fairways to greens offer sweeping ocean views and angles that are never the same. The Course itself features many elevation changes due to the natural rolling dune terrain. Trees are vacant on the course, being replaced entirely by natural scrub that will swallow your golf ball if you don't hit it straight.

A range of tee boxes allows golfers of all abilities to enjoy a round, whilst the fairways are generally wide so if your driving isn't up to par, you won't be punished much.
